Guidance notes

The East Sussex Pension Fund is part of the Local Government Pension Scheme (LGPS). It provides pension benefits for employees of various councils and public authorities across East Sussex. The purpose of this form is for staff of employers who are participating in the East Sussex Pension Fund to let us know whether they want to:

- Join the pension scheme
- transfer other pension rights into the scheme
- nominate a beneficiary on the event of your death.

Joining the Local Government Pension Scheme (LGPS) for the first time

If you are under age 75 and have a contract of employment for a minimum of 3 months, you will become a member of the scheme automatically unless you opt not to do so. Although membership is automatic, it is important that you complete and return this form. You can also elect to join the scheme if you do not have a contract of employment for a minimum of three months.

Please note that once you have completed 2 years LGPS scheme membership you will qualify for retirement benefits and will not be permitted to claim a refund of contributions.

Opting out of the LGPS

You may opt to leave the LGPS at any time, although you are recommended to obtain advice before making such a decision. Once you have completed two years scheme membership or have transferred other benefits into the LGPS you will qualify for retirement benefits and will not be permitted to claim a refund of contributions. An opt out form can be obtained from the scheme administrators.

If you opt out, you can re-join the LGPS at any time, but you are required to complete a new LGPS-I form within three months of the date of starting.

Rejoining the LGPS

If you wish to consider combining a previous period of LGPS membership you must elect to do so within 12 months of rejoining the LGPS, or such longer period as your employer may allow. Under certain conditions, membership from a previous employment is automatically aggregated unless you elect to retain separate benefits, again within 12 months of rejoining. The pension scheme administrators will provide you with information to assist you in deciding.

Whether or not you decide to combine LGPS membership periods, your decision will be irrevocable, and you will not be able to change it later.

Transferring pension rights from non-LGPS pension schemes

The LGPS can accept a transfer of pension rights from most pension schemes, and we can investigate this option for you. You will not be committing yourself to anything at this time and full information will be provided to you throughout the transfer process.

You will have 12 months from the date of joining the LGPS, or such longer period as your employer may allow, to decide whether you wish to transfer any previous pension rights.

You should seek independent financial advice on the best course of action to take if you are currently paying into a personal or stakeholder pension arrangement.

Death grant - expression of wish

The rules of the LGPS allow for the payment of lump sums on the death of a scheme member in certain circumstances. Whilst the County Council has absolute discretion as to who to pay such a lump sum to, you can let us know who you would like this paid to. The nominated beneficiary can be a relative, friend, or an organisation such as a club or charity. You can nominate more than one beneficiary. You may revise your nomination at any time by completing Expression of Wish Form DGI.

Annual pension benefit statement

Each year we will provide you with an annual pension benefit statement, setting out a summary of the benefits you have earned in the LGPS.

Nomination of Cohabiting Partner for Survivor's Pension-

The LGPS allows you to nominate a cohabiting partner. **However, to be able to make a nomination, all the following conditions must have applied to both you and your nominated co-habiting partner for a continuous period of at least 2 years on the date you both sign the nomination form:**

- both you and your nominated co-habiting partner are, and have been, free to marry each other or enter into a civil partnership with each other, and
- you and your nominated co-habiting partner have been living together as if you were husband and wife, or civil partners, and
- neither you or your nominated co-habiting partner have been living with someone else as if you/they were husband and wife or civil partners, and
- either your nominated co-habiting partner is financially dependent on you, or you are financially interdependent on each other.
